Less than eight minutes walk, the marina of Estepona offers a wide variety of international pubs, bars and restaurants. In addition, the famous international market takes place every Sunday at the port, where you can buy some souvenirs from your holidays. The local market takes place every Wednesday and is also located very close to the urbanisation, less than 10 minutes walk. The charming centre of Estepona is approximately 15-20 minutes walk. We highly recommend a walk through the old town of Estepona, which still retains the taste and beautiful appearance of the typical Andalusian white town. In the town centre you can also find lots of tapas bars and typical Spanish food restaurants. There are two supermarkets less than 5 minutes walking from the urbanisation. The closest beaches are Playa de la Rada and Playa del Cristo, both with blue flags and about 10 minutes walk from the property, making it a privileged amenity for your holiday in Estepona.
