This 84 m² apartment is located on the fourth floor with a south-facing orientation, ensuring abundant natural light throughout the day. Its functional layout offers spaciousness and comfort, with well-defined and versatile spaces.

The property is distributed as follows:

Spacious Living-Dining Room: A bright and airy space, ideal for creating a cozy atmosphere both for everyday living and family gatherings. Thanks to its orientation, it enjoys natural light for most of the day.

Three Bedrooms: The master bedroom is generously sized, with enough space for a double bed and a built-in wardrobe or walk-in closet. The second bedroom is perfect as a children's room, office, or multifunctional space, while the third bedroom serves as an additional bedroom or home office.

Independent Kitchen: Spacious with great potential for renovation and even conversion into an open-concept layout if desired. It features a functional storage area and ample space for large appliances.

Full Bathroom: Equipped with exterior ventilation, allowing fresh air and natural light to enter while preventing humidity issues. It offers renovation possibilities to enhance its design and functionality.

Private Terrace: A perfect space to enjoy the outdoors, have breakfast with open views, or simply relax after a long day.

The apartment is strategically located near the Huelín neighborhood, with access to a wide range of services including supermarkets, schools, health centers, public transport, restaurants, and leisure areas.
