The kitchen features a large island taking centre stage of the room, all the appliances are top of the range with a NEFF hob, American style fridge freezer, porcelain sink and built in dishwasher. You can enter the living space from either the entrance hallway or the kitchen, both lead to a 71m<sup>2</sup> living room, which is laid out in three parts. The dining area is situated in front of the kitchen, with the main living and entertaining space in the center of the room. The third part of the room, separated by a working gas fire feature place, is a quaint TV/snug area, a perfect place to put your feet up at the end of the day. The whole level looks on and leads to a 165m<sup>2</sup> main terrace, elevated above the pool level, it is the perfect entertaining space to watch the sun go down over the mountains.
