Welcome to this contemporary and practical country house on the outskirts of Alhaurín el Grande, built in 2018. With a plot of 10,079 m² and 288 m² of living space spread over three levels, this property offers panoramic views of the wide surroundings, combined with complete privacy and all-day natural light. The interior combines the tough look of concrete walls with the warm touches of wood, creating a harmonious and modern living environment. Moreover, the house is easily accessible via a paved road. Adjacent you will find a cosy living/dining room with wood-burning stove, a guest toilet/laundry room and a spacious storage room. The living room gives access to a large covered terrace with a private pool, barbecue area and panoramic views. - First floor: Three spacious bedrooms, including a master suite with walk-in wardrobe and en suite bathroom. This floor features an additional living area, ideal as a reading or TV corner. There is also a stylish bathroom with shower. - Loft: this offers an open mezzanine and two multi-purpose rooms that can serve as additional bedrooms, playroom or hobby room. - Two independent entrances, making it easy to separate the ground floor from the rest of the house. Sustainability: Thanks to the photovoltaic system (8 panels), the house is self-sufficient in electricity which means significant savings in energy costs. The house is fully registered and connected to the municipal water network. About Alhaurin el Grande: The lively municipality of Alhaurín el Grande is located at the foot of the Sierra de Mijas.
