Discover the timeless charm of Andalusian architecture combined with modern luxury in this exceptional villa, ideally situated in the heart of Marbella Centro. Just a short walk from the historic Old Town and the beach, this magnificent single-family residence offers the perfect blend of traditional craftsmanship, elegant design, and contemporary comfort.

Set on a plot of 767 square meters, this Andalusian-style home reflects a perfect balance between solid construction and refined detail. The villa features ten spacious bedrooms, five bathrooms, and a three-car underground garage, surrounded by landscaped gardens, generous terraces, and a private swimming pool that invite relaxation and outdoor enjoyment.

The basement features a secure three-car garage with automatic doors, providing convenience and safety.

Throughout the villa, every detail reflects quality and sophistication. Premium features include underfloor heating, white marble flooring, and a double-combustion stone fireplace suitable for both gas and natural wood.
