The Apartment is a ground floor elevated apartment, so you have the feeling of a middle floor apartment without neighbours below and a view directly to the lake.

The apartment benefits from 2 private parking spaces and a large storage unit, with direct elevator access connecting the parking level to the apartment, ensuring everyday convenience.

Importantly, the community permits short-term rentals, making this property equally attractive as a primary residence, holiday home, or investment opportunity.

From these elevated vantage points, the property enjoys open, uninterrupted views across the lake as well as the Mediterranean coastline, and the iconic La Concha mountain, creating a rare and highly desirable visual combination.

As a modern, recently completed development, Marbella Lake offers contemporary construction standards and a refined community atmosphere with pools at every level.

Ideally located, the apartment is within a five-minute drive of Nueva Andalucía's renowned golf courses, multiple tennis and sports facilities, and enjoys excellent access to shops, restaurants, and everyday amenities — all while remaining peaceful, private, and elevated above the valley.
