Rare opportunity investment in a centric area of Estepona! With a 5 minute walk to the city centre we present you here a large two storey industrial estate with several different qualities, because of the location it could offer itself for a business, or several ones, or maybe someone with a bigger plan will want to construct something different here. It has been used in the passed as a workshop downstairs and upstairs a school, a private childrens school, there are toilets and there is a bar and a large kitchen, also does it have a 40m² office upstairs. The total amount of m² built is 520M², this is a wopping 260m² per level. Downstairs there is a lovely patio area and upstairs even a bigger one, but facing the other side. Located on the top of a mountain on the border of the centre of Estepona, close to all amenities including theatre, playgrounds, schools, etc. This has heaps of potential, who sees this.
