House for Rent, Selwo (Atlas), Estepona

The house is located in the green and peaceful part of Selwo - an area appreciated for its balance of nature and convenience.

The American School is just a few minutes' walk away. Shops, restaurants, and easy access to the main road without traffic are all nearby.

After a recent refresh, the house feels new: bright, spacious, with underfloor heating and large windows on every level. Total area is about 800 m², spread across three full floors. Most rooms offer views of the sea, mountains, and protected hills.

On the main level, there are two living rooms, a fireplace, a lounge-office, and a generous dining area. The kitchen, with panoramic mountain views and a bar counter for eight, is the kind of place where mornings begin slowly and quiet.

The lower level features a home cinema, sauna, massage room, and gym. The upper level has three bedrooms; the lower level has two more. Each room has its own bathroom, terrace or balcony. Spacious, bright.

Outside, there is a large pool, mature trees, a flat plot, and ample space for guest parking. The house is filled with light and air, with balanced proportions and a rare feeling of comfort.
