This independent Villa plot amounts 518sqm, recently renovated to the highest standards both in building materials and construction, with attention to detail (the whole electricity system has been updated and improved, replacement of all the lightning devices, new A/C machinery at the ground floor, changes in the layout of the stairs at the basement to create a new room and a profuse variety of improvements have been made in these renovation works); the house adds up to 334sqm built plus a 43sqm partially covered terrace and a ground floor porch of 48sqm. Finally, a new pool has been built giving the property the icing on the cake. Besides, a bedroom with bathroom plus a guest restroom. On the first floor, three complete bedrooms with en suite bathrooms, all of them facing outside.
