

Grond te koop in Elviria, Marbella

290.000 €

Referentie: R4200469 Plotgrootte: 1.090m²

Costa del Sol, Elviria

Plot with project for the construction of a detached single-family house with 3 bedrooms, 3 bathrooms, 2 toilets, lift and different multi-purpose rooms for different uses, such as: gymnasium, cinema room, service room, offices, etc., all with natural light. Price for project and villa construction available upon request.

Situated some 44 km from Malaga airport, Elviria is an urbanisation belonging to Marbella. It is a very well maintained urbanisation that stretches along the beach and into the hills with a large number of high quality houses and flats to enjoy a peaceful holiday, very close to the centre of Marbella, which is only 6 km away.
