Costa del Sol, Benahavís

Villa Nebbia sounds absolutely stunning! The panoramic views of La Concha mountain and the sea, along with those gorgeous sunsets, must create a truly magical atmosphere. The seamless integration between the interior and exterior spaces, facilitated by the 4.5-meter high windows, is a brilliant touch, allowing residents to fully immerse themselves in the beauty of the surroundings. The layout seems perfectly designed for both relaxation and entertainment, with spacious living areas, generously-sized bedrooms, and the potential for additional amenities like a cinema, gym, or games room on the lower level. And with an 8-car garage, laundry room, and ample storage space, practicality is certainly not overlooked. The outdoor living spaces sound equally impressive, with beautifully landscaped gardens, sun terraces, a BBQ area, and a large pool perfect for enjoying the sunny climate of the region. It's evident that no detail has been spared in the design and construction of Villa Nebbia, making it a top choice for those seeking a home of uncompromised quality and luxury in the La Alqueria/Marbella-West area.
